

Reference

Process Cranes

Conductor Rails 0813 SinglePowerLine

Application

2 Process Bridge Cranes in a cement plant

Country

Czech Republic

City

Radotín

Project installation date

2013

Representative office

Conductix-Wampfler s.r.o. [CZ]

Operator

Českomoravský cement, a.s.

Technical requirement[s]

Energy Transmission Systems for 2 Process Bridge Cranes

System course

Straight

Length [System]

155 m

Product[s]

Conductor Rail System, Program 0813 SinglePowerLine

Quantity of poles

3 + PE

Current

800 A

Voltage

400 V

Environmental condition(s)

Very high dust loading
